

KATHLEEN JOHNSON - BIO

My name is Kathleen Johnson and I was born and raised in Tusten. I am married to Ben Johnson and have 2 step children. I attended Narrowsburg Central School from kindergarten through 12th grade. I received my associates degree in Business Administration from SUNY Morrisville and continued at SUNY Utica to obtain my bachelor's degree. I returned home to work in my family's business that my Grandfather started in 1945. I'm the President of the Tusten Settlement Association, a member of the assessment board of review for the town of Tusten and am on the parish council and lector for St Anthony's church in Yulan. Having traveled extensively I found no reason to leave, having understood why my ancestors picked Tusten so long ago to call home.
